Title	Progress tracker bar steps numbering not as expected
Description	Current step of the progress tracker bar on top of the screen with title "Please select your vehicle" is marked with the "✓" symbol.
Severity	Low
Expected behavior	Progress tracker bar on top of the screen with title "Please select your vehicle" should only show the "✓" symbol on a step when the user has already gone through that step. In this case the current step must be marked in a numerical order.

Title	Vehicle selection menu arrows color not as expected
Description	The left and right arrows on the vehicle menu selection are both colored grey. This gives the idea that other vehicle options are not available.
Severity	Minor
Expected behavior	Assuming the interface logic, when there are more vehicles available to be chosen, the arrows should be colored light blue.

ID number	#4
Reporter	Catarina Pereira
Title	Navigation between “Please select your vehicle” and the other screens is losing the overall information
Description	When going from “Please select your vehicle” to other screens, the user is losing the information of what he is doing
Severity	Minor
Expected behavior	“Online Test Drive Booking” should not disappear between “Please select your vehicle” and the remaining screens

ID number	#5
Reporter	Catarina Pereira
Title	“Search by address” field must save the input from the user
Description	Results are being shown but the input from the user is being erased
Severity	Minor
Expected behavior	Input from the user must be visible when the results are listed

ID number	#6
Reporter	Catarina Pereira
Title	“Show on map” feature could include user’s location
Description	On the “Select your dealer” screen the “Show on map” feature is only mapping the dealer’s location.
Severity	Minor
Expected behavior	User’s current location would make it easier for the user to choose a dealer

ID number	#7
Reporter	Catarina Pereira
Title	"Show on map" feature is not showing all the results
Description	"Show on map" feature shows 46 dealers on map but indicates 43 results as having been found
Severity	Major
Expected behavior	"Show on map" indicates and shows the same number of dealers

ID number	#8
Reporter	Catarina Pereira
Title	Progress tracker bar steps has repeated step number
Description	4th step of the progress tracker bar on top of the screen with title "Select your dealer" is wrongly numbered when "Show as a list" view is enabled
Severity	Minor
Expected behavior	4th step should be numbered as 4

ID number	#9
Reporter	Catarina Pereira
Title	Screen title inconsistent when compared with the previous ones
Description	Until this point all the screens were named as "Select your...". This does not comply with "Your Test Drive Appointment Request A-Class Saloon"
Severity	Minor
Expected behavior	This screen title would look better as "Select your preferences"

ID number	#10
Reporter	Catarina Pereira
Title	Different naming for the same thing across steps
Description	On the first screen the user chose a vehicle called "A-Class Sedan" that on "Your Test Drive Appointment Request A-Class Saloon" screen is called as "A-Class Saloon"
Severity	Minor
Expected behavior	Same terms should be used across the application

ID number	#11
Reporter	Catarina Pereira
Title	Explanation about a specific feature must be close to that feature
Description	On the "Your Test Drive Appointment Request A-Class Saloon" screen the explanation about the behavior of the "Select Date and Time" button appears very far from the button in question.
Severity	Minor
Expected behavior	This explanation should be given closer to that button.

ID number	#12
Reporter	Catarina Pereira
Title	
Description	<p>On "Your Test Drive Appointment Request A-Class Saloon" screen the fields "Fuel", "Transmission" and "Model" have very distinct behaviors:</p> <ul style="list-style-type: none"> - "Fuel" has not been edited by the user but it is filled with a dark color. - "Transmission" has not been edited by the user but it is filled with a dark color. Also there is no way to edit the transmission type between "Automatic" and "Manual". - "Model" is filled with "No preference" colored with grey.
Severity	Minor
Expected behavior	<ul style="list-style-type: none"> - "Fuel" when not edited by the user must be filled with a grey

	<p>label. Also something like “Please choose” to open the dropdown and “No preference” as an option would look better.</p> <ul style="list-style-type: none"> - “Transmission” when not edited by the user must be filled with a grey label. Something like “Please choose” to open the dropdown and “Automatic”, “Manual” and “No preference” as options would look better. - “Model” if not editable must mirror that information to the user.

Reporter	Catarina Pereira
Title	Different vehicle model shown on the same context
Description	On “Your Test Drive Appointment Request A-Class Compact saloon” screen the chosen vehicle model is “A200d” but the image is illustrating the “A180d”
Severity	Major
Expected behavior	Chosen vehicle model is the same in the “Model” field and in the illustration

ID number	#14
Reporter	Catarina Pereira
Title	Calendar feature is overlapping the screen title
Description	When clicking on “Select Date and Time” button the calendar is overlapping the screen title
Severity	Minor
Expected behavior	Open calendar must not overlap the screen title

ID number	#15
Reporter	Catarina Pereira
Title	“Preferred time period” is previously filled when scheduling
Description	When clicking on “Select Date and Time” button the “Preferred time period” is already filled

Severity	Minor
Expected behavior	Field must be called "Time period", be filled with "Please choose" and provide an arrow to access a dropdown where "Afternoon" is an option

ID number	#16
Reporter	Catarina Pereira
Title	Chosen date on calendar is not the same when confirming scheduling
Description	When clicking on "1 April 2021" on calendar, the date that appears right before the confirmation is "1 April 2020"
Severity	Major
Expected behavior	The date for confirmation is the same chosen by the user on calendar

ID number	#17
Reporter	Catarina Pereira
Title	Label color not consistent with similar ones
Description	On "Your Personal Details" screen, on "Title" field the label "Please choose" is colored dark
Severity	Low
Expected behavior	On "Your Personal Details" screen, on "Title" field the label "Please choose" should be grey as the labels below

ID number	#18
Reporter	Catarina Pereira
Title	Label's size not consistent with similar ones
Description	On "Your Personal Details" screen, on "Title" field the label "Please choose" is smaller than the labels below
Severity	Low
Expected behavior	On "Your Personal Details" screen, on "Title" field the label "Please choose" should have the same size as the similar ones

ID number	#19
Reporter	Catarina Pereira
Title	Declaration of Consent filled by default
Description	On "Your Personal Details" screen the declaration of consent has its "Yes" option filled by default
Severity	Critical
Expected behavior	All the checkboxes must be cleared by default

ID number	#20
Reporter	Catarina Pereira
Title	Wrong user title used on the submission confirmation page
Description	The title chosen by the user was "Mr" and "Miss" is being used
Severity	Low
Expected behavior	The title chosen by the user must be the one used

ID number	#21
Reporter	Catarina Pereira
Title	Wrong fuel type on submission confirmation page
Description	The fuel type chosen by the user was "Diesel" and "Petrol" is being used
Severity	Low
Expected behavior	The fuel type chosen by the user must be the one used

ID number	#22
Reporter	Catarina Pereira
Title	Wrong dealer address on submission confirmation page
Description	The dealer's address on submission confirmation page is "Heilbronner Str. 339"
Severity	Major
Expected behavior	The dealer's address on submission confirmation should be "4051 Durban"

ID number	#23
Reporter	Catarina Pereira
Title	No booking ID shown on submission confirmation page
Description	The user is not provided with an ID for the appointment he just made
Severity	Major
Expected behavior	A booking ID is provided to the user

ID number	#24
Reporter	Catarina Pereira
Title	"Please" is being lost across selection screens
Description	The word "Please" is being used in the first screen but not in the others
Severity	Low
Expected behavior	"Please" is always used when the user is asked to do something

ID number	#25
Reporter	Catarina Pereira
Title	Inconsistent use of title case
Description	Title case is being used only in some screens
Severity	Low
Expected behavior	Title capitalization must always be the same

ID number	#26
Reporter	Catarina Pereira
Title	Inconsistent use of “Dealer” and “Retailer” words
Description	“Dealer” and “Retailer” words are being used to refer the same
Severity	Low
Expected behavior	The way in which the supplier is called must always be the same
